! URGENT !

Dear Cheryl,

just a quick note to say that we would still be interested in doing a piece on Cyberthon, if your filming of the event worked out. Have you seen the results? Are they good? Would you be interested in letting us have them? Please call or fax me to let me know the state of play. Hope to hear from you soon.

All the best!

Simon Witter

Message: Simon --

Per your fax, some of the 66-hours of film we took of Cyberthon is great. We are now in the process of trying to get it down to a 30-minute cassette. Probably will take a few months to get it done but keep in touch.
